

Says

What have we heard them say?  
What can we imagine them saying?

If you can  
imagine it,you  
can achive it. If  
you can dream  
it,youcan  
become it.

en owe us what  
we imagine they  
will give us. We  
must forgive  
them this debt

Imagination is the  
engine of creation  
as we imagine our  
goals and desires in  
our mind ,we cause  
them to become  
true in our life.

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

We want our  
doughter to  
always be happy  
and healthy and  
love life!

To have fun  
learning to make  
friends,  
experience new  
things and to be  
happy.on

we hope that we  
will experience  
many new things  
and enjoy making  
new friends.

Does

What behavior have we observed?  
What can we imagine them doing?

One thing that  
defines  
humans,if we  
can imagine  
it,we can do it.

To deny people  
that human  
rights is to  
challenge there  
very humanity.

I have always  
believed that  
exercice is not only  
a key to physical  
health but do face  
of mind.

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?

Your life is sacred.  
Your healing is  
essential.  
Your well-being is  
granted.  
Thank YOU for  
choosing to be here on  
this planet at this time.

Anxiety-apprehension  
over on anticipated  
problem  
Fear-reaction to  
immediate danger  
Both involve  
sympathetic nervous  
system arousal

The poem of  
frustration anxiety  
fear is the poem  
Which when written  
rightly makes its  
own subject  
disappear.
